

# The Westchester Chamber Music Society, Inc.

Dear Music Lover,

Please join us on March 17, 2019, with Glenn Dicterow, former concertmaster of the New York Philharmonic, and other celebrated guests, in honoring Dr. Caroline Bauman, who has been the president and guiding force behind the Westchester Chamber Music Society for over thirty years. Mr. Dicterow will be performing with his Amerigo Trio at 4:00 pm, with music by Sibelius, Beethoven, and others. This concert will be followed by a special dinner for Dr. Bauman at 6:30 pm—all at Congregation Emanu-El at 2125 Westchester Avenue in Rye, NY. Dr. Bauman is continuing at the helm of the WCMS, but there has never been an occasion to publicly thank and honor her for the way she has enriched our lives. We have all benefitted from Caroline’s deep musical experience and her dedication to chamber music and to this organization. We are, therefore, delighted to invite you to:

- Attend the concert and the post-concert special event & buffet dinner at which our distinguished guest Glenn Dicterow and others will pay tribute to Dr. Bauman.
- Buy space in the commemorative program booklet to post your congratulatory message to Caroline.

Please send the coupon below with your payment and message to WCMS c/o Harriet Levine, 5 Lewis Ave., Hartsdale, NY 10530; or visit [www.WestchesterChamberMusicSociety.com](http://www.WestchesterChamberMusicSociety.com). RSVP before February 15.

Thank you and warm regards,

Shelley Lotter
